

CONSENT AND RELEASE AGREEMENT
Publication of Student Photograph and Student Work
In Newspapers and Web Sites
_____ - _____ **School Year**

During this school year, your student may have the opportunity to have his/her photograph(s) and/or schoolwork published in the district, school, and/or local news publications, and/or displayed on the district/school Web sites. Publishing or displaying student photographs and schoolwork furthers the school's educational mission and permits you, the parent or guardian, along with other friends or relatives of the child, to view your child's accomplishments. We recognize, however, that not all parents or guardians may wish to have a photograph of their child or personally identifiable information related to their child published in newsletters or newspapers or posted on the Internet. We therefore request that those parents or guardians who would like to take advantage of this opportunity please review and sign this Consent and Release Agreement and return it to your child's school. Students whose parents or guardians do not sign this Agreement will not in any way be penalized.

By signing this form, I give Nebo School District permission to publish/display, or permit others to publish/display, a photograph(s) of my child or my child's schoolwork in the district or school newsletters, in the local newspapers, and/or on district/school Web sites. I understand that the publication/display of such photograph(s) and schoolwork may include personally identifiable information about my child, such as my child's name, grade level, name of class, and name of school. I also understand that the district, my child's school, or the local newspaper agencies will exercise editorial control over what photograph(s) or schoolwork is published/displayed. In consideration of the benefits of having a photograph(s) or schoolwork of my child published in newsletters or newspapers, or displayed on the Internet, I consent to the publication/display of this type of information along with my student's photograph(s) and schoolwork, and to the district's, school's, and newspaper agencies' exercise of editorial control. I understand that information published in the district or school newsletters, in local newspapers, or displayed on the Internet may be accessed and distributed by parties over whom Nebo School District has no control, and I assume the risk that such parties may use these materials for improper purposes. I agree, on my and my child's behalf, to release Nebo School District, its board members, administrators, teachers, and employees, from and against any and all claims, damages, or liability arising from or related to the aforementioned publications/displays of my child's photograph, schoolwork, and other personally identifiable information.

I have read this Consent and Release Agreement before signing it and I fully understand it. I have been given the opportunity to ask any questions I might have about it, understand that my child will not be penalized academically or otherwise if I do not sign it, and sign it in consideration of the benefits of having a photograph(s) or schoolwork of my child published or displayed online.
